## **URGENT NETWORK OPERATIONS TO IMPACT LUCEA AREAS**

The National Water Commission is advising that its teams will be carrying out urgent network operations that will impact water supply to sections of Lucea- Hanover and its Environs.

The Company is noting that earlier today the team completed checks along the network that highlighted supply challenges in some areas including Malcolm Heights areas that will require further adjustments to resolve.

**Projected Disruption Time: 8am to 6pm on Wednesday, August 16, 2023**

**Areas include: Lucea and its environs, sections of Esher area and Pedro**

The NWC apologises to its valued customers for any inconvenience caused and seeks to assure them that every effort is being made to restore regular water supply in the shortest possible time.
