PIPELINE REPAIRS IMPACT WATER SUPPLY IN ST CATHERINE
SECTIONS OF WAKEFIELD AND LINSTAD AFFECTED

The National Water Commission (NWC) wishes to advise customers in a section of St Catherine that their water supply has currently been interrupted in order to facilitate repairs to a broken main.

Based on this work, operations at the Wakefield supply system which serves the communities of **Wakefield Main Road, Buxton Town, Savannah, Burton District and sections of Linstead**, are slated to be restored by **5pm today October 10, 2018**.

The NWC regrets any inconvenience that this necessary repair work may cause to its valued customers.
