JPSco SINGLE PHASE DISRUPTS WATER SUPPLY AT ST CATHERINE FACILITY

The National Water Commission (NWC) is advising that Single Phase Power supply issues have forced the shutdown of operations at Wells F and H at the Eastern Headworks facility in St Catherine and this has resulted in water supply disruptions to a number of communities served.

Areas Affected: Kent Village, Spanish Town Road, Molynees Road, Washington Boulevard, Sections of Downtown Kingston, Hamilton Gardens, Christian Gardens & Pen, Newland Road, Cumberland, Cedar Grove, Edgewater, Waterford, Gregory Park, Braeton, Braeton Relift, Independence City, Hellshire, Eltham Acres, Eltham, Greendale, Keystone, St Jago Gardens, Patten Park, Richard Hall, Waterloo Gardens, Ensom Acres

The company is indicating that regular water supply will be restored as soon as the power supply problem is corrected.

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
