BROKEN MAIN CAUSE WATER SUPPLY DISRUPTION SECTIONS OF ST. CATHERINE AFFECTED

The National Water Commission is advising customers in some sections of St. Catherine who are served by the Marlie Mount Pumping Station, that the disruption in service, is due to repairs being carried out on a broken main on the distribution network. Restoration of water supply is expected by 3 pm today.

Affected areas are:

Marlie Mount, sections of Marlie Acres, sections of Old Harbour, sections of Church Pen, Old Harbour Village and Island Farm

The National Water Commission apologizes for any inconvenience caused by this disruption in service.
