### **NWC LAUNCHES SUMMER GIVE-AWAY PROMOTION 17 TV's to be won for Paying May-July Bills**

The National Water Commission (NWC) is pleased to announce a new Pay Your Bill and Chill promotion aimed at rewarding loyal customers who continue to pay their bills in full and on time. The promotion will apply to all bills that become due in May, June and July and customers will get the chance to win one of fourteen (14) 32" television sets and three (3) 50" television sets.

The NWC started airing advertisements on the new promotion on Sunday April 24 to create awareness especially among customers whose bills become due early in the month.

All the NWC customer needs to do is simply pay their NWC bills on time and in full for the months of May, June and July, 2016. The qualifying accounts will then be entered into a grand draw on Friday, August 5. Selected accounts will be published in the press on Sunday, August 7, 2016 and posted on the NWC website.

The Pay Your Bill and Chill, NWC Summer TV Giveaway Promotion is in addition to the Early Payment Incentive which rewards customers with \$250 each month for paying their bills in full and on time; the Welcome Back Programme which provides lucrative terms for persons to re-establish legal accounts with the Commission.

The promotion is approved by the Betting Gaming and Lotteries Commission (BGLC).
