

KSA NRW CO-MANAGEMENT PROGRAMME BULLETIN (#8)

PLEASE PARDON OUR PROGRESS

The National Water Commission (NWC) and its international water efficiency partners Miya, request your continued cooperation and support for the Kingston and St. Andrew (KSA) Non-Revenue Water (NRW) Reduction Co-Management Programme. The programme seeks to slash the level of Non-Revenue Water (NRW) in Kingston and St. Andrew, improve service to customers, and reduce the cost of delivering excellent water service.

On **Wednesday, July 4, 2018** the following work will be done under the programme:

NRW Activity in KSA	Locations
Valve installation	Along Spanish Town Rd, near corner of Bread Lane
Valve box changes	Along North St near Duke St corner
Valve installation	Along East St, near North St corner
Valve installation	Along Barry St, near South Camp Rd intersection
Meter Replacement	Harbour Drive and Sir Florizel Highway
FLOWMETER INSERTION	HAGLEY PARK RD/MAXFIELD AVE
PIPE EXCAVATION	HOPE RD/WATERLOO RD
PRV/meter / Pipe installation	Trafalgar and Knutsford

(**Bold** work will be done during the day; non-bold areas will be done during the night)

Regrettably, some customers in these areas of work **may** experience disruptions in their water supply or be impacted by traffic, dust or noise nuisances while the work is being done. We apologize for any such unavoidable disruption or inconvenience and commit to make every effort to keep these at an absolute minimum or for as short a time as possible.

Please cooperate with our work teams as we work to serve you better. For further information or specific concerns, please contact the **Community Relations Office (Eastern)** at **733-5636/7** or the **Corporate Public Relations Department** at **929-5430-5** or **929-1128**.

The NRW Reduction Programme: Renewing your water system = Better service = Better life.

National Water Commission ...working to serve you better!
