

KSA NRW CO-MANAGEMENT PROGRAMME BULLETIN (#53)

PLEASE PARDON OUR PROGRESS

The National Water Commission (NWC) and its international water efficiency partners Miya, request your continued cooperation and support for the Kingston and St. Andrew (KSA) Non-Revenue Water (NRW) Reduction Co-Management Programme. The programme seeks to slash the level of Non-Revenue Water (NRW) in Kingston and St. Andrew, improve service to customers, and reduce the cost of delivering excellent water service.

On **Wednesday, October 10, 2018** the following work will be done under the programme (These are in addition to routine leak repairs all across KSA, nightly shutdowns on the Constant Spring Water Supply System due to drought, and other disruptions related to road and other improvement works):

NRW Activity in KSA	Work Locations
Check loggers not sending data	Various locations
Check on float valve for maintenance	Norbrook Tank
Replace valve with 4" straight of pipe	Norman Rd/Upper Elletson Rd
Investigate no water situations and open/close valves	Various locations
Debris cap installation	Various locations
Field Investigation and Pressure Drop Test	Mountain View
Field Investigation	Various locations
Zero Pressure Test	Dumbarton Avenue/Eastwood Park Road
Trial Excavation to get 12" OD; Check Valve Status	Waltham Park Road/Kellyman Terrace
Installation of tapping point (12")	Old Hope Road and Stanton Terrace
Installation of tapping point (10")	Old Hope Road and Mountain View

(**Bold** work will be done during the day; non-bold areas will be done during the night.)

Regrettably, some customers in these areas of work **may** experience disruptions in their water supply or be impacted by traffic, dust or noise nuisances while the work is being done. We apologize for any such unavoidable disruption or inconvenience and commit to make every effort to keep these at an absolute minimum or for as short a time as possible.

Please cooperate with our work teams as we work to serve you better. For further information or specific concerns, please contact the **Community Relations Office (Eastern)** at **733-5636/7** or the **Corporate Public Relations Department** at **929-5430-5** or **929-1128**.

The NRW Reduction Programme: Renewing your water system = Better service = Better life.

National Water Commission ... working to serve you better
