NWC WORKING TO RESTORE WATER SUPPLY TO MOY HALL.

The National Water Commission (NWC) is apologising to customers in Moy Hall, St. James, for the continued disruption they are experiencing in their water supply. This is due to mechanical challenges affecting operations at the Moy Hall facility.

The Agency had communicated a resolution date of January 29, 2019. However, further challenges rendered the aforementioned deadline unattainable.

The Commission is making every effort to resolve the challenges and restore regular supply by Monday, February 4, 2019.

The NWC apologises for any inconvenience caused and craves the patience and understanding of its valued customers.
