KSA NRW CO-MANAGEMENT PROGRAMME BULLETIN (#110)

PLEASE PARDON OUR PROGRESS

The National Water Commission (NWC) and its international water efficiency partners Miya, request your continued cooperation and support for the Kingston and St. Andrew (KSA) Non-Revenue Water (NRW) Reduction Co-Management Programme. The programme seeks to slash the level of Non-Revenue Water (NRW) in Kingston and St. Andrew, improve service to customers, and reduce the cost of delivering excellent water service.

On **Thursday, February 14, 2019** the following work will be done under the programme (These are in addition to routine leak repairs all across KSA and other disruptions related to road and other improvement works):

NRW Activity in KSA	Work Locations
Integrate flow meter from logger to Controller	Various locations
Pipe and valve investigation	Torrington Road and other locations
Pipe and valve investigation	Orange Street and other locations
Interconnection	Lyndhurst Road/ Lincoln Road
Field Investigations; Dry-run; Pressure Profile	Various locations
Valve investigation/Pressure Profile	Roads Leading off Windward Road
PRV/ Logger Maintenance	Various locations
17 " Elbow Installation	East Kings House

(**Bold** work will be done during the day; non-bold areas will be done during the night.)

Regrettably, some customers in these areas of work **may** experience disruptions in their water supply or be impacted by traffic, dust or noise nuisances while the work is being done. We apologize for any such unavoidable disruption or inconvenience and commit to make every effort to keep these at an absolute minimum or for as short a time as possible.

Please cooperate with our work teams as we work to serve you better. For further information or specific concerns, please contact the **Community Relations Office (Eastern) at 733-5636/7** or the **Corporate Public Relations Department at 929-5430-5 or 929-1128.**

The NRW Reduction Programme: Renewing your water system = Better service = Better life.
