## **REPLACEMENT OF FIRE HYDRANTS TO DISRUPT WATER SUPPLY**

The National Water Commission (NWC) is advising customers in **Hague, Trelawny**, that they will be without water supply on **Tuesday, May 21** and **Wednesday, May 22, 2019**, between the hours of **9:00 am** and **5:00 pm** daily.

This disruption is to facilitate the Fire Department who will be replacing fire hydrants in the area.

The NWC apologises for any inconvenience this may cause and urges customers to store water for use during the outlined period.
