WATER DISRUPTION

sections of Trelawny and Manchester affected

The National Water Commission (NWC) wishes to apologise to customers served by the **Sherwood** Pumping station in **Trelawny**, for the disruption in their water supply due to high turbidity at the facility.

Areas affected include: **Sherwood, Peidmount, Reserve and Coxheath.**

At the same time, some customers served by the **Downs #2** system in **Manchester**, are experiencing either low pressure or no water as a result of mechanical challenges at the facility.

Every effort is being made to resolve the challenges and resume normal operation by **Wednesday, May 22, 2019.**

Areas affected include: **Downs, Sea Air, Prospect** and surrounding areas.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
