EMERGENCY REPAIR WORK TO AFFECT WATER SUPPLY IN SECTIONS OF HANOVER

The National Water Commission (NWC) is advising its valued customers served by the **Shettlewood** Pumping Station in **Hanover**, that operations have been suspended to facilitate the repair of an air valve. As a result, customers served by the facility will be without piped water.

Every effort is being made to complete the necessary repair work by 5pm today, **July 3, 2019**.

Areas affected include: ***Shettlewood, Chester Castle, Ramble, Copse, Knockalva, Lethe, Burnt Ground, Mount Peto, Friendship, Pearces, Village, McField, Haddo, Haughton Grove, Sandy Bay and Montpelier.***

The NWC regrets any inconvenience this disruption may cause and craves the patience and understanding of its valued customers.
