### **URGENT PIPELAYING WORK TO DISRUPT WATER SUPPLY**

The National Water Commission (NWC) is advising that, operations at the **Montpelier Well** in **St. James**, will be temporarily suspended from **12 midnight Thursday July 4, to 3 pm Friday July 5, 2019**.

This disruption in supply is to facilitate urgent pipelaying work. As a result, customers in **Montpelier** and sections of **Mt Carey** will be without piped water.

The NWC apologizes for any inconvenience this may cause and urges customers to store water for use during the outlined period.
