## **NWC REGULATES WATER DUE TO LOW YIELD**

The National Water Commission (NWC) is advising that due to low yield from the **Reading Spring** in **St. James**, it has become necessary to regulate water to **Bogue Hill** and a section of **Bogue Heights** in the parish.

Effective immediately, customers in these areas will receive water on **Tuesdays** and **Saturdays**. This schedule will remain in effect until inflows improve.

The NWC apologizes for any inconvenience this may cause and craves the patience and understanding of its valued customers.
