UPDATE

NWC WORKING TO RESTORE WATER SUPPLY

The National Water Commission (NWC) apologises to customers served by the **Copse** relift and the **New Milns** pumping station in **Hanover** and the **Daniel Town** relift in **Trelawny**, for the continued disruption in their water supply. This is as a result of electro-mechanical challenges at the facilities.

The Agency is reporting that due to unforeseeable challenges it is unable to meet the previously communicated deadline for the resumption of operations at the facilities. The NWC is working to resolve the challenges and to restore water to the affected areas as follows:

Copse Relift- Friday, July 26, 2019
New Milns pumping station- Friday, August 9, 2019
Daniel Town Relift- Friday, August 2, 2019

Areas affected in Hanover include: **Copse, Friendship, Eden, Lethe, New Mills, Welcome, Cacoon, Nyere Farm, Haddington, Watford Hill and Woodland.**

Areas affected in Trelawny include: **Daniel Town, Texas and Claremount.**

In the meantime, and until the situation is resolved customers are asked to call the Hanover office at **876-733- 5753-6** and the Trelawny office at **876-610-5802** or **610-5216** to request trucked water.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.

-End-
