JPSCO POWER OUTAGE TO DISRUPT WATER SUPPLY

The National Water Commission (NWC) is advising that, due to scheduled JPSCo maintenance work on **Sunday July 28, 2019**, between the hours of **7:30am** and **5:00 pm**, customers in **Providence Heights, St. James**, will experience a disruption in their water supply.

The NWC urges customers to store water for use during the period they will be without and assures them that water will be restored following the return of the power supply.

The NWC regrets any inconvenience this may cause and craves the patience and understanding of its valued customers.
