HIGH TURBIDITY AFFECTS WATER SUPPLY IN SECTIONS OF HANOVER

The National Water Commission (NWC) wishes to apologise to customers served by the **Cascade** pumping station in **Hanover**, for the disruption in their water supply due to high turbidity at the facility.

The NWC is assuring customers that normal operation will resume as soon as the turbidity subsides.

Affected areas include: **Cascade, Pondside, Great Valley, Jericho, Retrieve, Claremount, Smithfield, Willoughby and Cold Spring.**

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.
