### **WATER DISRUPTION**

The National Water Commission (NWC) wishes to advise that, due to JPSCo single phase affecting the **Two Meeting Treatment plant** and the **Victoria Town Pumping station** in **Manchester**, customers are experiencing a disruption in their water supply.

Areas affected include: **Spalding, Denham Farm, George North, Victoria Town, Queen Town, Pusey Hill, Campbell Field, Cassava Piece, Pratville, Cross Keys, Restore, Smithfield, Grove Town, Warwick, Marlie Hill, Asia** and surrounding areas.

The matter has been reported to the power service provider and customers are being assured that normal operations will resume as soon as the situation is resolved.

The NWC regrets any inconvenience caused and craves the patience and understanding of its valued customers.

-End-
